

Hunter's Glen IV Meeting Guideline Policy

1. All residents are encouraged to participate and ask questions during Police Department presentations and Open Forum Sessions;
2. If a resident wishes to bring a matter before the Board for review and possible action, it must be placed on an inquiry card prior to the open forum and given to Marshall Mgmt for handling and processing;
3. Residents are NOT allowed to participate or provide discussion on issues being discussed by the Board during the meeting;
4. At Open Forum, Marshall Mgmt will acknowledge all residents who wish to discuss any concerns or issues, however no ruling or responses will be forthcoming during the meeting. The Board will take all concerns under advisement during Executive Session and if a response is warranted, then it will be presented at the next Stated Meeting under old business;
5. Residents will be given 3 minutes to bring any matters of concern before the Board.
